All Riding Disciplines Welcome!

June 16 & 17, 2009 (Tues/Wed 9am - 4:30pm)

Leatherwood Mountains - 512 Meadow Road - Ferguson, NC 28624

HORSEMANSHIP CLASS:

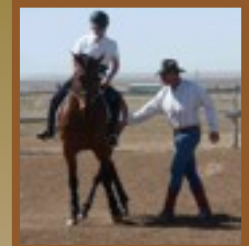

Brent teaches horsemanship through feel. Learn to earn your horse's trust, offer softness, fairness, and clarity. Start the process of getting your reins (or lead rope!) connected through the horse's mind to his feet.

We'll explore soft feel, softness through transitions, cadence, control of the hindquarters and forehand, and lateral moves. You will develop the awareness, skill, and understanding to become the partner your horse has been waiting for. Your horse will become softer, more supple, and better balanced.

Colts are welcome in the groundwork portion of the class, but horses in the riding portion must already be going under saddle.

Brent has an amazing way of creating a comfortable learning environment and bringing out that special connection we all strive for in our relationships.
