Plein Air Painters of the Southeast

The **Plein Air Painters of the Southeast (PAP-SE)** is offering an end-of-summer plein air painting workshop in the heart of the Blue Ridge mountains of North Carolina. We're inviting other artists and art students to join us, whether to take our workshop—or to meet for a weekend rendezvous with plein air groups from around the Southeast. PAP-SE artists will gather at the mountain resort community of Leatherwood Mountains to paint landscapes on August 25 — 27, 2009, with a workshop to follow on August 27 — 30, 2009. We'd love for you and your plein air group to come along! Visit LeatherwoodMountains.com for the location details and accommodations.

For a weekend of painterly fun, shared ideas, glorious scenery and creative camaraderie, make your reservations now for the end-of-summer PAP-SE plein air workshop and plein air painters' forum. Workshop cost is \$400 for early registration through July 15.

After July 15, the cost is \$450. For workshop reservations and info,
